Furnishing in Style Pty Ltd

Principal
PLUS

A hard wearing PVC upholstery product with an aesthetically appealing grain pattern, Principal Plus is a proven performer in many residential and commercial furniture applications. Now with the addition of Healthguard, Principal Plus has enhanced antimicrobial qualities, protecting your furniture against bacteria, spores, viruses, and mould. The choice of many leading Australian furniture manufacturers, its ability to be moulded in all directions ensures a clean finish, even on circular seat applications. Meeting the flammability requirements of AS1530.3, and with a new and exciting range of fashionable colours, Principal Plus creates a durable upholstery solution without compromising appearance.

Principal PLUS

Description

A hard wearing PVC upholstery product with an aesthetically appealing grain pattern, Principal Plus is a proven performer in many residential and commercial furniture applications. Its unique formulation balances a sophisticated soft finish with excellent durability and is supported by a Three Year Warranty.

Now with the addition of Healthguard, Principal Plus has enhanced antimicrobial qualities, protecting your furniture against bacteria, spores, viruses, and mould. The choice of many leading Australian furniture manufacturers, its ability to be moulded in all directions ensures a clean finish, even on circular seat applications. Meeting the flammability requirements of AS1530.3, and with a new and exciting range of fashionable colours, Principal Plus creates a durable upholstery solution without compromising appearance!
