FURNITURE FOR TODAY

This catalogue aims to provide a comprehensive furniture range from which you can completely furnish your office.

All products are selected from Sedex compliant factories around the globe and supported by full commercial warranties.

Our Product Development team strives to establish and maintain high quality standards and selects recognised certified bodies such as Afrdi, Bifma, FSC and Greenguard with as many products as possible.

Rapidline product is supported by:
· Privately-owned and managed distribution centres across Sydney, Melbourne, Brisbane and Perth
· Full delivery and installation service
· National customer service teams
· In house marketing and projects team
· Design and layout service

CONTENTS

VOLUME 15

Reception & Lounge

The reception area sets the tone of your business for your clients. Make the best possible first impression with a fresh, professional, stylish counter whilst allowing your visitors to wait in comfort and style with a range of fantastic soft seating designs.

· Range of sizes to suit any reception space small or large

· Available in a range of colours to match any decor

· 5 Year Warranty

· Choose from stylish lounges to comfortable single seating options for your visitors.

FSC®

3 YEARS WARRANTY

Create a healthier work environment with height adjustable workstations, allowing users to alternate between sitting and standing whilst working, potentially eliminating multiple health risks.

RAPID SPAN ELECTRIC

For many people a standard 730mm high desk height will not allow them to work comfortably and efficiently. In a shared workstation environment, a height adjustable workstation is a valuable work tool to suit a range of different users.
