# HOST

mobile flip table

Host is a versatile and stylish addition to the contemporary office environment. Offering complete mobility and functionality, this flexible table system suited to rapidly changing work environments.

Each table can be folded and space-savily nested and stored. Table can be linked together via optional linking connectors to create clusters of tables joined as a unit. Heavy duty castors allow for easy manoeuvrability and lock securely into place. Ideal to succeed in teamwork areas, training or conference areas, or as temporary, easily movable desks.
